Apologies—subject line should state Railroad Avenue instead of Indian Harbor Road.

Subject: GSLP: Extended Hour Request-Indian Harbor Road - Wednesday, 5/20/20

Dear Ms. Bachman,

Eversource is requesting an extension of work hours for this evening beyond the 6 PM curfew until 8 PM for construction work along Railroad Avenue in Greenwich. The reason for the request is that due to traffic on I95 being backed up between Norwalk to Greenwich caused by a Connecticut DOT

construction project, the concrete trucks cannot make the required number of trips to finish the concrete pour for the duct bank along Railroad Avenue.

The Town of Greenwich has been notified and they understand and have no issues with the extended hours.

Thank you for your consideration of this request. My sincere apologies for the late notice.
